

Update on the Office of Zoning (OZ) Operating Status during COVID-19 Emergency

What is our operating status?

Along with the rest of District Government, our agency remains operational. We are operating on a telework status and have made some modifications to how services are being provided which are listed below.

How does this impact what we do?

- **Zoning Commission (ZC) and Board of Zoning Adjustment (BZA)** – suspended. All hearings and meetings are suspended between March 16th – 31st.
- **Day-to-Day Functions** – modified service. Agency staff will be working remotely. OZ continues to answer phones, respond to emails, process applications, maintain case records and review and issue zoning orders.

How does this impact our physical locations?

- **OZ offices at 441 4th St NW # 200** – closed to the public from March 16-31, 2020.

What else are we offering to meet your needs?

- **Interactive Zoning Information System (IZIS)** – IZIS remains available for new case applications and submissions.
- **dcoz.dc.gov** – Please visit our website for updated information on who you may contact for specific zoning information needs.
